

WHO WE ARE

NALCP is a non-profit organization comprised of in-house liquor licensing and compliance professionals specializing in on and off premises retail liquor licensing. Formed in 2006, NALCP is the first organization of its kind to provide services, support, and networking efforts on behalf of industry's in-house liquor licensing and compliance professionals.

NALCP Members include licensing professionals from various industries including restaurants, entertainment venues, hotels, grocery and other retail services. NALCP Associate Members share our interest in liquor license compliance and are comprised of attorneys, compliance professionals, and service providers all working independently to support the industry in its license and compliance issues.

NALCP sponsors an annual conference that features guest speakers from the licensing and compliance industry including liquor licensing legal professionals, consultants, service providers, governmental representatives and State and National restaurant association spokespersons.
