Membership Criteria

1. **Member (Voting)** – NALCP is a retail tier organization. All membership applications are reviewed and approved at the sole discretion of its Board. Generally speaking, members are businesses that hold at least one (1) on and/or off premises retail liquor license required to operate a retail store, retail restaurant, bar, hotel, venue or other hospitality or entertainment retail business involving the sale of alcoholic beverages (defined as a “Member-Type Business”); Each Member has one vote but may have an unlimited number of Email ListServe participants and attendees at the Annual Conference.

2. **Associate Member (Non-Voting)** – Any law firm, agency, consultant, association, vendor, service provider or other entity interested in supporting the Licensing & Compliance profession and NALCP. Although Associate Members have no voting rights within NALCP or NALCP Email ListServe access, in addition to other Membership benefits, we invite and encourage them to attend the NALCP annual conference as well as any other social functions associated with the conference. All membership applications are reviewed and approved at the sole discretion of its Board. Any applicant affiliated with either the manufacturing or whole tiers may be denied Membership.
